These changes without regulatory effect conform the regulations of the former Fair Employment and Housing Commission (the Commission) to the statutory changes made by Senate Bill 1038 (Chapter 46, 2012). The action repeals certain of the former Commission's regulations for which there is no longer statutory authority. The action renumbers and relocates the regulations within Division 4.1 of Title 2 as the regulations of the newly established Fair Employment and Housing Council. The action also makes non-substantive grammatical and style changes to the regulations as well as changes to Authority and Reference citations.

OAL approves this change without regulatory effect as meeting the requirements of California Code of Regulations, Title 1, section 100.
