The public can submit input to fehcouncil@dfeh.ca.gov.

Mark Murray, California Teachers Association: Mr. Murray emailed the Council regarding the Request for Public Input Regarding Reasonable Accommodations for Associational Disabilities Under the Fair Employment and Housing Act. He recommended that individuals associated with a person who has an autoimmune disease be eligible for reasonable accommodation at their workplace, as the individual associated with them is susceptible to illness by that association.

Chair Mandelbaum noted that this example is a reason why this is a topical issue in addition to a legal one.

Councilmember Brodsky added that this is already a topical issue in some districts and some are already engaging in the interactive process as a result.
